PoC project of implementation of WCAG 2.1 for Indico

Tuesday, 21 March 2023 10:40 (20 minutes)

Proof of Concept project for implementing WCAG 2.1 (Web Content Accessibility Guidelines) for Indico. The project aimed to improve the accessibility of Indico for users with disabilities, such as those who are blind, deaf, or have limited mobility. The presentation outlined the challenges faced in implementing WCAG 2.1, such as the need to provide text alternatives for non-text content, ensure keyboard accessibility, and use color and contrast effectively. The presentation highlighted the importance of web accessibility and its impact on the user experience
