

UNCONVENTIONAL: Your partner for Indico services

Tuesday 21 March 2023 09:40 (20 minutes)

We are excited to introduce UNCONVENTIONAL, a new player in the Indico ecosystem that provides specialized services to organizations seeking reliable Indico hosting, along with tailored development of new features and user support. In this presentation, we will provide more information about our company, services, and approach. Join us to discover how UNCONVENTIONAL can assist you in unlocking the full potential of Indico to manage complex conferences with ease.
