

Zimanyi Winter School

Monday 5 December 2022

QCD and heavy flavors (08:45 - 10:35)

time	[id] title	presenter
08:45	[2] Opening	LEVAI, Peter
09:00	[3] The complex potential $T>0$	PETRECKZY, Peter
09:35	[4] How fast do heavy quarks thermalize? (The heavy quark diffusion coefficient from lattice QCD) - online contribution	ALTENKORT, Luis
10:10	[5] Screening effects at non-zero chemical potential and magnetic field	SZYMANSKI, Michal
