Intermediate energies I (11:00 - 12:15)

time	[id] title	presenter
11:00	[23] Signatures of Short-Range Correlations in collisions of Intermediate energy Heavy Ions	HAGEL, Kris
11:25	[24] Exploring heavy-ion collisions in the Fermi regime with the FAZIA multi-telescope array	Dr CAMAIANI, Alberto
11:50	[25] Symmetry energy studies at intermediate energies: first experiment with the INDRA-FAZIA apparatus	Dr CIAMPI, Caterina
