Programme Website

The screenshot shows the website for the French Language Teacher Programme. At the top, there is a blue header with the French flag and the text "French Language Teacher Programme". Below the header, the date "22-27 Oct 2023" and location "CERN Europe/Zurich timezone" are displayed. A search bar is present on the right. The main content area includes an "Overview" section with a "Timetable" link, an "Administrative Support" section with a "teacher.program..." link, and a paragraph of text. Below this is a colorful logo for "ANNEE 2023 2024 DE LA PHYSIQUE". Further down, there is a section for "French Language Teacher Programme 2023" with a link to the Indico page, contact information for the "Teacher Programmes Manager" (Jeff Wiener), and emergency contact details for the CERN fire brigade. A calendar icon shows the start and end dates and times. A location pin icon indicates the CERN location. There are also icons for accessibility, including a document icon for "Autorisation droit à l'image f.l.", a brochure icon for "Brochure du stage 2023", and a CERN logo icon for "Plans d'accès CERN". An information icon at the bottom provides details about the scientific programme and arrival confirmation.

The French Language Teacher Programme 2023 will take place from 22-27 October 2023. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants to cutting-edge particle physics. We hope our participants will go back to France as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists ...

L'édition 2023 du programme des professeurs au CERN en français bénéficie du label 'Année de la physique 2023-2024' (<https://anneedelaphysique.cnrs.fr>).
