Welcome

1st RCS-ICT Technical Committee
9th December 2022

Xavier Espinal and Pere Mató

Objectives for today

- Knowing each other: tour-de-table

- Consolidate purpose and scope of RCS-ICT engagement activity

- Overview of the RCS computing needs and requirements

- Identify main technical areas and topics to be addressed

  - Subsequent TC meetings focused on technical discussions around well identified areas, with invited experts and responsible persons

  - Provide input for the first RCS-ICT Steering Committee in March
