

"P-RAD 2023" European Workshop on Perovskite Radiation Detectors

Thursday, 20 July 2023

Session 1 (09:00 - 10:30)

time	[id] title	presenter
09:00	[34] Perovskite thin film detectors for high energy photons and particle at the University of Bologna	FRABONI, Beatrice
09:30	[25] Enhancing functionalities of blended 3D hybrid perovskite films detectors	CIAVATTI, Andrea
09:50	[22] Direct detection of 5 MeV protons by mixed 3D-2D Perovskite Flexible Films	BASIRICÒ, Laura
10:10	[32] Record stability for fully passive perovskite-based X-ray detectors through the use of a polymeric template	COLELLA, Silvia
