7th edition of the cross-disciplinary International Summer School INFIERI series

Monday, 4 September 2023

Big Data, Massive and High Performance Computing, Data transmission (09:00 - 13:10)

-**Conveners: Rogerio Iope**

time	[id] title	presenter
09:00	[23] HPC and hardware heterogeneity, how to navigate in this environment?	Prof. GOLDMAN, Alfredo
09:50	[24] HPC INTEGRATION IN DATA INTENSIVE SCIENCE	Dr SOUTHWICK, David
10:55	COFFEE BREAK	
11:20	[25] Extreme scale dataflows in the compute continuum for the next generation of giant astronomical observatories	Prof. GRATADOUR, Damien
12:10	[26] New data transmision means: The ELLA link as a new high speed high rate bridge between Europe and Latin America	LOZANO, Rafael
