

## **Session Program**

**31 May 2023 to 2 June 2023**

# **7th Workshop on Power Converters for Particle Accelerators**

## ***Session 4***

Technology and Research Center, Wiener Neustadt, Austria

# Thursday 1 June

10:45

## Session 4

**Session** | **Location:** Technology and Research Center, Wiener Neustadt, Austria | **Convener:** Ivan De Cesaris

10:45-11:10

### High Power Solid-state Switch for Replacement of Thyatron for Kicker & Klystron Modulator

**Speaker**

Suk-ho An

11:10-11:35

### Reliability of EBS power supplies and hotswap redundancy system

**Speaker**

Laurent Jolly

11:35-12:00

### CERN Lab news : description of future projects and CERN new development

**Speaker**

Valerie Montabonnet

12:00-12:25

### APS-U Power Systems Status

**Speaker**

Fernando Rafael

12:25
