

# Welcome to HEPiX Spring Workshop 2023 in Taipei

Tomoaki Nakamura and Peter van der Reest  
HEPIX co-Chair

# The second hybrid workshop

- It is a great pleasure to welcome many of you here in Taipei!
  - 38 participants attend in person.
  - Roughly half of the total participants gather in Taipei.
- This is the first time for me as a co-chair to organize HEPiX.
  - I think that there were some points that did not reach, but please forgive me.
- Some conveners could not join us, so we will try & see how we handle this distributed meeting continued to the Umea workshop.
- If you need any assistance, please ask us directly or email.
  - [hepixonconference-support@hepixon.org](mailto:hepixonference-support@hepixon.org)
  - Tomoaki Nakamura & Peter van der Reest, HEPiX Co-chairs
  - Eric Yen & Vicky Huang & Stella Shen, Local Organisers & Secretariat

# Program

- Most of regular tracks are present.
  - Timetable: <https://indico.cern.ch/event/1222948/timetable/>
  - The session will start at 10:00 on all days.
  - There is no session on Friday.
- “Show us your Toolbox” session, which is introduced at Umea, will be allocated on Wednesday after lunch
  - Sharing some of the useful tools and procedures they use to make their work lives more comfortable.
  - Please contact me and Peter if you have something to show.
  - I will arrange the time slot depending on the number of presenters.
- All of your talks/presentations will be recorded. If you do not want to publish them, please get in touch with us.

# Zoom conference

- Mute your microphones at all times during presentations.
- Please have your video stream disabled unless you are the speaker or the session chair.
- We will be taking questions in the auditorium first, then switch to online participants.
- During Q&A please activate your camera and microphone when asking a question.
- Use the “hand” symbol in Zoom to make a request for questions.
  - The session chair will call on you to ask your question.
- For general comments do not use the Zoom chat.
  - Only for urgent matters like bad audio or no slides visible etc.

# Comments and Discussions

- We are happy to have in-person participation again, as HEPiX thrives on offline discussions and ‘coffee break’ exchanges.
- These are -unfortunately- not easily possible with the remote participants.
- Please use the shared document at;
  - <https://notes.desy.de/xLrmX9YtTc6WGaF5mBW9w>
  - as we did in the previous online HEPiXes (use a listed IdP where you have an account).
- Feel free to ask background questions to speakers or initiate offline discussions with people sharing.
  - We will try to include your input in the sessions.

# Group Photo and Social events.

- We will have a photo session on Tuesday after the lunch break.
  - Vickey and Stella will organize it.
- If there is demand, we can try to organize a remote photo session as well - let us know if you are interested.
- The welcome reception will start 18:30 Today.
- Gala dinner will start 18:30 on Wednesday.
  - The conference bus will take you from the venue.
  - Eric will present details in the following presentation.

# Finally

# Have a great HEPiX conference!!
