

Update on the Linux Strategy for CERN (and WLCG)

Tuesday 28 March 2023 12:10 (25 minutes)

This presentation will be a follow-up to the presentation and “Linux Strategy”BoF in Umea and summarise the latest evolution on the strategy for Linux at CERN (and WLCG): a recap of the situation (e.g. the issues with Stream or the changes for the RHEL license), a presentation of the agreed strategy as well as insights into the decision making process (in particular for the choice of AlmaLinux as the EL rebuild).
