

School of Natural Science,
Department of Physics,
Division of Theoretical Physics,
University of Ioannina
e-mail: adedes@uoi.gr

April 6th, 2023

Dear Colleagues,

We would like to inform you that the Physics Department at University of Ioannina has recently announced 2 (two) new positions in Theoretical Physics, and in the following particular scientific subjects, levels and APELLA codes:

1. Theoretical Elementary Particle and High Energy Physics

Level: Professor (code 32902) or Associate Professor (code 32909)

2. Theories of Gravity—Cosmology

Level: Associate Professor (code 32911) or Assistant Professor (tenure) (code 32916)

You can find more information by entering in your APELLA account

<https://service-apella.grnet.gr/apella/ui/auth/login>

and selecting the link with the corresponding code number, e.g.,

<https://service-apella.grnet.gr/apella/ui/positions/32916>

Both positions have submission deadline the **23rd of May 2023**.

Kind regards,

Athanasios Dedes
Professor in Physics
Director of Theoretical Physics Division
