

9th Symposium on Frequency Standards and Metrology

Monday, 16 October 2023

Precision Measurements and Fundamental Physics I (11:00 - 12:30)

-Conveners: Jacinda Ginges

time	[id] title	presenter
11:00	[131] Precision Penning-Trap Mass Measurements on Light Nuclei and Highly Charged Heavy Ions	BLAUM, Klaus
11:30	[96] Low Loss Acoustic Cavities: from Frequency Control to Fundamental Physics	Dr GORYACHEV, Maxim
12:00	[158] Frequency combs for differential spectroscopy of atomic clocks	FORTIER, Tara
