

# 9th Symposium on Frequency Standards and Metrology

## Thursday 19 October 2023

### Compact Optical Clocks (11:00 - 12:30)

time	[id] title	presenter
11:00	[135] Development of transportable optical lattice clocks and applications	Prof. KATORI, Hidetoshi
11:30	[123] Next-Generation Chip-Scale Atomic Clocks	KITCHING, John
12:00	[162] Scalable infrastructure for Sr optical clocks with integrated photonics	PAPP, Scott
