

# 9th Symposium on Frequency Standards and Metrology

## Thursday, 19 October 2023

### Precision Fibre and Free Space Transfer (16:00 - 18:00)

-Conveners: Robert Scholten

time	[id] title	presenter
16:00	[134] Time and frequency dissemination over 113 km free-space	PAN, Jian-Wei
16:30	[114] REFIMEVE optical link network and applications	AMY KLEIN, Anne
17:00	[58] Free-space laser links for frequency comparison between fast-moving optical clocks	SCHEDIWY, Sascha
17:30	[168] Applications of time and frequency signals on the fiber	Dr CALONICO, Davide
