

9th Symposium on Frequency Standards and Metrology

Friday 20 October 2023

Low Noise Optical Systems (11:00 - 12:30)

-Conveners: Michael Tobar

time	[id] title	presenter
11:00	[87] Low-noise optical frequency divider for precision measurement	JIANG, Yanyi
11:30	[111] Ultrastable Lasers – New Developments and Challenges	STERR, Uwe
12:00	[55] Resonant photonic oscillators and regenerative frequency dividers	Dr MATSKO, Andrey
