

# Amplitudes Planning Committee

**amplitudes.conference@gmail.com**

**Samuel Abreu, Jacob Bourjaily, Ruth Britto, Lance Dixon, Henriette Elvang,  
Song He, David Kosower, Andrew McLeod, Jaroslav Trnka, Anastasia Volovich**

- Rotating committee of previous and future Amplitudes organisers, to help facilitate the selection of venue for future Amplitudes editions
- As the location of future editions of Amplitudes are decided, new organisers will be added while previous organisers rotate off
- Queries and proposals for hosting future editions of Amplitudes can be sent to the committee at **amplitudes.conference@gmail.com**

(Does not replace the international advisory committee— not responsible for the scientific program of future events!)

2024 — Institute for Advanced Study, Princeton

2025 — Seoul

2026 — Queen Mary University of London
