

Ceramic Water Filters Impregnated with Silver Nanoparticles for the Removal of Lead and Chromium Ions from Water

Abstract Category

Materials Physics

Author: ALANGO, Tabitha (Maasai Mara University, Department of Mathematics and Physical Sciences)

Co-authors: Dr OTIENO, Fredrick (Department of Mathematics and Physical Science, Maasai Mara University); Dr MOTOCHI, Isaac (Department of Mathematics and Physical Science, Maasai Mara University)

Presenter: ALANGO, Tabitha (Maasai Mara University, Department of Mathematics and Physical Sciences)

Track Classification: Physics Research
