

Assessing Lead Content and Lead Isotopic Ratio in Paints from South Africa: Implications for Environmental Health Using ICP-MS Analysis

Abstract Category

Medical Physics

Primary author: OLUKOTUN, Dr. Stephen Friday (Center for Applied Radiation Science and Technology (CARST), North-west University, Mahikeng Campus, South Africa;)

Co-authors: Dr JOHN, S. O. O.; Dr KUPI, T. G.; Dr OLADEJO, O. F.; Mr MATHUTHU, J.; Mr SHITTU, H. O.; Prof. MATHUTHU, M.

Presenter: OLUKOTUN, Dr. Stephen Friday (Center for Applied Radiation Science and Technology (CARST), North-west University, Mahikeng Campus, South Africa;)

Track Classification: Physics Research
