

The 3rd African Conference on Fundamental and Applied Physics (ACP2023)

Friday, 29 September 2023

Parallel Session on "Early Career African Physicists": ASK An ASP (Alumni) - Regency Room (13:30 - 15:00)

-Conveners: George Lowani Zimba; Mounia Laassiri

time	[id] title	presenter
13:30	[231] Opening	ZIMBA, George Lowani LAASSIRI, Mounia
13:35	[232] Trailblazing: From ASP (MSc Student) to PDRA in Extragalactic Astrophysics	NJERI, Ann
13:45	[233] A brief story tale of an ASP alumnus	BOYE, Diallo
13:55	[234] Bridging Africa and inspiring the future through science	NAMUMBA, Brenda
14:05	[235] My Journey from ASP to Medical Physics	FAJEMISIN, Jesutofunmi
14:15	[236] From ASP to Illuminating Africa's Future in Light Sources	SAMSAM, Sanae
14:25	[237] Escaping the Prism	KAULUMA, Aina
14:35	[238] High energy physics: The edge of possibility	MAPEKULA, Xola Gugulethu
14:45	[239] A passion for physics at the nanoscale	BELTAKO, Katawoura
14:55	[240] Closing	ZIMBA, George Lowani LAASSIRI, Mounia
