

Session Program

14-19 May 2023

**Blois 2023: 34th Rencontres de Blois on
"Particle Physics and Cosmology"**

Collider 2

Gaston d'Orléans

Thursday 18 May

09:00

Collider 2

Session | **Location:** Gaston d'Orléans | **Convener:** Alexander Yohei Huss

09:00–09:30 **Heavy ion experimental results at the LHC**

Speaker

Laure Marie Massacrier

09:30–10:00 **Top quark physics**

Speaker

Javier Mazzitelli

10:00–10:30 **Leptons in the proton**

Speaker

Luca Buonocore

10:30
