

**Session Program**

**14-19 May 2023**

**Blois 2023: 34th Rencontres de Blois on  
"Particle Physics and Cosmology"**

***Highlights & Cosmology***

Gaston d'Orléans

# Friday 19 May

08:45

## Highlights & Cosmology

**Session** | **Location:** Gaston d'Orléans | **Convener:** Kimberly Boddy

08:45–09:15 **GW now and future**

**Speaker**

Mario Martinez-Perez

09:15–09:45 **Spectral distortions of the CMB: new portals to BSM physics**

**Speaker**

Subodh Patil

09:45–10:15 **Machine learning and artificial intelligence for physics**

**Speaker**

Ayan Paul

10:15
