

PSD13: The 13th International Conference on Position Sensitive Detectors

Monday 4 September 2023

Novel Photon Detectors - St Catherine's Bernard Sunley Building (16:10 - 17:40)

-Conveners: Daniel Weatherill

time	[id] title	presenter
16:10	[42] Keynote: Novel photon Detectors	KRIZAN, Peter
16:40	[55] Large area tiles of position-sensitive Silicon photomultipliers	ACERBI, Fabio
17:00	[83] Development of a single photon emission microscope with ~200µm spatial resolution	YAMAMOTO, Seiichi
17:20	[129] NNUV-MT – A new generation of blue sensitive SiPMs: Performance, Products and Roadmap	Dr MURPHY, John SHARRATT, Martin
