

PSD13: The 13th International Conference on Position Sensitive Detectors

Tuesday 5 September 2023

Detectors at Neutron facilities - St Catherine's Bernard Sunley Building (16:10 - 18:00)

-Conveners: Peter Hobson

time	[id] title	presenter
16:10	[47] Keynote: Detectors at neutron facilities	Dr RHODES, Nigel
16:40	[94] A new oscillating detector for monitoring the velocity spectrum of ultracold neutrons and its time evolution	Dr ROZPEDZIK, Dagmara
17:00	[54] Multi-Input Readout System for $^3\text{He}/\text{BF}_3$ Position Sensitive Neutron Detectors	Mr VENTURINI, Yuri
17:20	[9] Development of large area boron-coated GEM thermal neutron detector in CSNS	Prof. SUN, Zhijia
