

## HHH workshop

Contribution ID: 19

Type: **not specified**

## General ATLAS flavour tagging

*Saturday 15 July 2023 09:30 (30 minutes)*

An introduction to the ATLAS Flavour Tagging, which covers the new Run 3 tagger development. In addition to the tagger itself, we will also cover the calibration programs and other statistical treatments.

**Presenter:** LIU, Bingxuan (Simon Fraser University (CA))

**Session Classification:** Morning session
