

Session Program

24-28 Apr 2023

Parton Showers for future e^+e^- colliders

Perturbative accuracy of parton showers

CERN, 4/3-006 - TH Conference Room

Tuesday 25 April

14:00

Perturbative accuracy of parton showers

Session | **Location:** CERN, 4/3-006 - TH Conference Room

14:00–14:30

Status of shower accuracy

Speaker

Melissa Corona van Beekveld

15:30

14:45–15:15

Status of subleading colour corrections

Speaker

Simon Platzer

16:00

Perturbative accuracy of parton showers

Session | **Location:** CERN, 4/3-006 - TH Conference Room

16:00–16:30

Hadronization and Colour Reconnection Models

Speaker

Stefan Gieseke

17:00
