

Session Program

24-28 Apr 2023

Parton Showers for future e+e- colliders

Perturbative accuracy of parton showers

CERN, 4/3-006 - TH Conference Room

Tuesday 25 April

14:00

Perturbative accuracy of parton showers

Session | Location: CERN, 4/3-006 - TH Conference Room

14:00–14:30 **Status of shower accuracy**

Speaker

Melissa Corona van Beekveld

15:30

14:45–15:15 **Status of subleading colour corrections**

Speaker

Simon Platzer

16:00

Perturbative accuracy of parton showers

Session | Location: CERN, 4/3-006 - TH Conference Room

16:00–16:30 **Hadronization and Colour Reconnection Models**

Speaker

Stefan Gieseke

17:00
