

Welcome to the 2023 CERN-Fermilab Hadron Collider Physics Summer School

Where to ask for help

- **School administration:**
Kate Ross and Caroline Cazenoves
- **Local organizing committee (one LOC member will always be around):**
Samuel Abreu (co-chair)
Arnd Behring
Michael Duehrssen (co-chair)
Loukas Gouskos
Nathan Jurik
Alba Soto Ontoso
Tamara Vazquez Schröder
Nima Zardoshti

Daily organization

- Coffee breaks (*except Saturday*) are in front of the cafeteria just one floor down
- **Lunch is not provided**, please go to Restaurant 1 or 2 for the lunch breaks
- [A map with all important locations for the school is on the school web page](#)
- **Discussion sessions** start daily at **15:30** (*except tomorrow and Saturday*)
 - The discussion leaders will pick you up today ~15:00 here in the auditorium.
 - **These groups are there for you to ask questions!** Also the lecturers will pass by to answer questions.
 - [Further information and maps are on the school web page.](#)
- **Welcome drinks tonight at 17:30**, in Restaurant 2 (Building 504)
- **Tomorrow afternoon: visit to the CERN control center and neutrino platform**
 - Discussion groups 1-3 leave @15:15, groups 4-6 leave @16:50. Departure from Restaurant 2.
 - **Please wear closed and flat-heeled shoes for the visit!**
- **School dinner Tuesday 29.08 at 19:00 @ Bois Joly**
