

Session Program

18-20 Dec 2023

NuPhys2023: Prospects in Neutrino Physics

Neutrino mixing and mass ordering

King's College London
King's College London, Strand, London, WC2R 2LS

Tuesday 19 December

09:30

Neutrino mixing and mass ordering

Session | **Location:** King's College London, King's College London, Strand, London, WC2R 2LS | **Convener:** Malcolm Farbain

10:00

09:30-10:00

Three neutrino phenomenology and global analyses

Speaker

Dr Mariam Tórtola
