

Session Program

18-20 Dec 2023

NuPhys2023: Prospects in Neutrino Physics

Neutrino cross sections

King's College London
King's College London, Strand, London, WC2R 2LS

Tuesday 19 December

10:00

Neutrino cross sections

Session | **Location:** King's College London, King's College London, Strand, London, WC2R 2LS | **Convener:** Malcolm Farbain

10:00-10:30

Neutrino cross section updates

Speaker

Noemi Rocco

10:30

11:00

Neutrino cross sections

Session | **Location:** King's College London, King's College London, Strand, London, WC2R 2LS | **Convener:** Malcolm Farbain

11:00-11:30

Experimental update on neutrino cross-sections

Speakers

Laura Munteanu, Laura Munteanu, Laura-Iuliana Munteanu

11:30
