

## **Session Program**

**18-20 Dec 2023**

# **NuPhys2023: Prospects in Neutrino Physics**

## ***Physics beyond the Standard Model at colliders***

King's College London  
King's College London, Strand, London, WC2R 2LS

## Wednesday 20 December

09:30

### Physics beyond the Standard Model at colliders

**Session** | **Location:** King's College London, King's College London, Strand, London, WC2R 2LS | **Convener:** Francesca Dordei

09:30-10:00 **Neutrino facilities at CERN**

**Speaker**

Dr Juan Rojo

10:00-10:30 **Heavy neutrino-antineutrino oscillations at colliders**

**Speaker**

Jan Hajer

10:30
