

Session Program

18-20 Dec 2023

NuPhys2023: Prospects in Neutrino Physics

Sterile neutrinos

King's College London
King's College London, Strand, London, WC2R 2LS

Tuesday 19 December

16:20

Sterile neutrinos

Session | **Location:** King's College London, King's College London, Strand, London, WC2R 2LS | **Convener:** Joshua Berger

16:20–16:40 **Steriles from Reactors**

Speaker
Bryce Littlejohn

16:40–17:00 **Short Baseline neutrino programme at Fermilab and SBND**

Speakers
Prof. Jarek Nowak, Jaroslaw Nowak

17:00–17:20 **MicroBoone**

Speaker
Vincent Basque

17:20
