

Session Program

19-21 Jun 2023

Higgs and Effective Field Theory HEFT 2023

Wednesday PM1

Manchester

Wednesday 21 June

14:00

Wednesday PM1

Session | Location: Manchester | Convener: Ken Mimasu

14:00-14:25 Learning about axion-like particles from SMEFT

Speaker
Anke Biekoetter

14:30-14:55 From Dilaton Effective Field Theory to the Composite Higgs

Speaker
James Ingoldby

15:00-15:17 Dark Photon bounds in the dark EFT

Speaker
Gabriel Massoni Salla

16:00
