

Session Program

10-12 Apr 2011

**International Conference on Physics in
Memoriam Acad. Prof. Matey Mateev**

Second Morning Session

Monday 11 April

11:20

Second Morning Session

Session | Convener: Alvaro De Rujula

11:20–12:10

The new geometric formulation of quantum field theory according to Matey Mateev's scenario

Speaker

Vladimir Kadyshevskiy

12:10–12:35

A boost for a whole life

Speaker

Mihail Chizhov

12:35–13:10

Search with CMS detector for physics beyond the SM

Speaker

Leandar Litov

13:10
