

Argus Authorization Year 2 Plan

Valery Tschopp (SWITCH)

Argus PT

Argus Year 2 Plan

- Finalize integration with ARC and UNICORE
- Implements common XACML profile
 - Argus PAP support for multi-profile
 - Argus PAP extension of the simple policy language (`attr_1 == attr_2`, UNICORE)
 - Argus PAP import of raw XACML policies
 - Argus PEP Server support for the common XACML authorization profile
 - Other bug fixes (minor)
 - Estimated 10 weeks work

Thank you!

EMI is partially funded by the European Commission under Grant Agreement RI-261611
