EMI All Hands

Lund, May 2011

CESNET Security PT

- org.glite.px
 - proxy renewal
 - MyProxy
- GridSite
 - Support for EMI
- gSoap plugin
- Gss utility library

Plans

- Mainly maintenance
 - GridSite too demanding in the past
- Common authN lib integration (?)
- Focus on improved stability and performance
 - Several RFEs in Savannah
- Support for delegation service
 - Depending on the delegation TF
- (Explore Moonshot/AAI utilization)
