Infrastructure Area Leader

Duplication of Functionality

- **Resource-BDII**
  - GLUE 1 & 2
    - LDAP

- **ARIS (ARC Resource Information Service)**
  - Nordugrid Schema & GLUE 2
  - XML & LDAP

- **CIP (Common Information Provider)**
  - GLUE 2
    - XML

Harmonization

- Single solution required
  - GLUE 2
- Single Product Team
  - Containing existing members
- Backwards compatibility
  - Is this required?
    - GLUE 1
    - Nordugrid Schema

Plan

- Agreement in principle
  - EMI Resource Information Service
- Identification of participants
  - Contributions for existing PTs
  - Merge PTs
  - Super PT
    - Contains the other PTs
- Agreement on external interface
  - XML over HTTP?
- Agreement on internal interface
  - Information provider framework
    - More important than we imagine
- Implementation Plan
  - Green field or brown field?
- Project endorsement

Discussion

Thank you!
