Exploitation Sustainability Collaboration

Plans for year 2

Exploitation & sustainability

- Establish common coordinating body for post-EMI
- Identifying critical products, maintain list
 - Process feedback from EMI1
- Licensing
- Better visibility on cloud & security efforts
- New, revised questionnaire

Collaboration

- Finalize ongoing MoU
- Enhance *Works with EMI* program
- Strategic work in collaboration with PO

Thank you

EMI is partially funded by the European Commission under Grant Agreement INFSO-RI-261611
