

EUROPEAN MIDDLEWARE INITIATIVE

All-Hands in Lund

Welcome and introduction

Oxana Smirnova

Lund University

EMI All-hands meeting

30 May 2011, Lund, Sweden

Welcome to Lund University and its Department of Physics!

- It is exams and graduation time
 - Bear with overstressed / overjoyed students
- **Lunch challenge:**
 - Be quick, you only have 1 hour
 - Pack your notebook during the last talk before lunch (unless you are the speaker)
 - All food establishments are canteens
 - You'll have to **queue** with a tray and **pay yourself**
 - Two largest canteens reserved tables for us to sit together
 - Pick **red/green** tokens to spread and follow the leader (or the map)
 - Smaller canteens are closer and will serve small groups (5-6 persons max) faster; no tables reserved
 - Follow the map
