

Top Quark Precision Frontier & Quantum Tomography

- Workshop on latest results at precision frontier of top quark physics
- New probes to top quark physics
 - Entanglement, Quantum tomography
 - Latest developments on AI + ML
- 2-day satellite event to TOP23
 - Venue: [Purdue University](https://www.purdue.edu)
 - Registration Fee's likely around 100\$ / person
 - Discount for students & TOP23 participants
 - All plenaries, agenda in preparation
- Contact: Dr. Andy Jung at anjung@purdue.edu for details
