

## Title of your abstract

First author name<sup>1,\*</sup>, Presenting Author<sup>1</sup>, Third Author<sup>2</sup>, Fourth Author<sup>2,3</sup>, Senior Author<sup>1</sup>

<sup>1</sup>. Research group, Dept., Institution, Address, Country

<sup>2</sup>. Company name, Address, Country

<sup>3</sup>. Research facility, Division, Address, Country

\* Corresponding author, [email@institution.com](mailto:email@institution.com)

This is a template for the abstract submission for the 24<sup>th</sup> International Workshop on Radiation Imaging Detectors (iWoRiD2023), which will be held June 25 – June 29, 2023, at the Oslo Science Park in the city of Oslo, Norway (Figure 1). Abstracts according to this template should be uploaded in the indico system on the website

<https://indico.cern.ch/e/iworid2023>. In the upload procedure, the plain text of your abstract should be copied to the designated text box. Please also indicate your preferred presentation type (i.e., “oral presentation”, or “poster presentation only”). Note that a presenting author should be indicated as well.

**Figure. 1.** A view of the Oslo Science Park, the venue of the workshop. Photo credit: Oslo Science Park.

Please stick to the layout of this template for the submission of the abstracts. The text is formatted in Times New Roman, font size 12. References [1,2] are formatted very briefly as shown below [1]. Figures are included in floating boxes, which can be duplicated where necessary. Please limit your abstract to 1 or 2 pages, depending on the number of figures. For uniformity, we have no LaTeX template available. Please do not forget to convert your abstract into a .pdf file! For further questions, please contact us at <https://www.iworid.science/contact>.

We hope to welcome you all in June in Oslo!
