

Session Program

7-11 Aug 2023

**3rd Baltic School of High-Energy Physics and
Accelerator Technologies 2023**

Lecture

Wednesday 9 August

13:00

14:00

Lecture: High-Density QCD with Proton and Ion Beams

Session | **Location:** | **Convener:** Prof. Aleksas Mazeliauskas

Thursday 10 August

13:00

14:00

Lecture: High-Density QCD Physics with Proton and Heavy-Ion Beams - PART II

Session | **Location:** | **Convener:** Dr Aleksas Mazeliauskas
