

## **Precise QCD resummed predictions for the Drell-Yan process (30' talk + 20' discussion)**

*Tuesday 18 April 2023 09:50 (50 minutes)*

In this talk we will present selected QCD resummed predictions for the Drell-Yan process. In particular, the recent N4LL QCD calculation will be discussed and also the QCD+QED NLL results will be presented.

**Presenter:** CIERI, Leandro
