

A New Core Team, Structure and Tasks

Claire Adam, On behalf of the Core Team

Will Introduce the Team this Afternoon

On our plate when Fabiola & I started

- Stabilize a presence @CERN after 3 years of home office [Monday, Tuesday]
- Setup a « base camp » to welcome you and host archives [Office in build 1]
- Learn our job !
- Take over Barbora's Core Tasks (not no be confused with WG)
 - WEB expertise & ongoing issues
 - RDB backlog & strategy

As of this Week

- How can we support better Working groups ?
 - Exploring the need for a " Science writing " student [CERN admin student process]
- Getting the "publication" list more visible ?
 - Opens the door to the author list discussion
- Requests for support for (more ambitious) projects ?
 - Translation of the German lectures book seems to be out of (financial) range for now
- Please, talk to us ! This is what this week is about 😊
