IPPOG Next meetings (2023 Fall and 2024 Spring) (vote required)

Wednesday 10 May 2023 11:35 (25 minutes)

We propose to go back to our model of having [at least] one meeting at CERN, being the northern hemisphere fall the best time for this.

Thus we propose to have the next meeting at CERN (2023 Fall meeting), and to discuss the place for the 2024 Spring meeting.

Votes on these proposals will follow the discussion.
