

Session Program

16-19 May 2023

**The Mitchell Conference on Collider, Dark
Matter, and Neutrino Physics 2023**

Axion

Texas A&M University, Hawking Auditorium

Wednesday 17 May

09:30

Axion

Session | **Location:** Texas A&M University, Hawking Auditorium | **Convener:** Adrian Raphael Thompson

09:30–09:55 **Recurrent Axinovae and their Cosmological Constraints**

Speaker
Patrick James Fox

09:55–10:20 **Building non-vanilla QCD axion models**

Speaker
Felix Yu

10:20–10:45 **Detecting Axion-Like Particles with Primordial Black Holes**

Speaker
Tao Xu

10:45
