

Daily News Tuesday 4th June

Programme

Plenary sessions:

9:00–10:30

Flavor & Higgs

and

16:00 – 18:00

Flavor, BSM, QCD

(Blackman Auditorium)

Parallel Sessions:

11:00–12:30

BSM-1TeV Scale

(ISEC Room 136)

Electroweak Physics

(ISEC Room 142)

Flavor Physics: Heavy Flavor

(ISEC Room 140)

Future Projects: Future + Upgrade
+BSM2

(ISEC Room 138)

Higgs Physics

(ISEC Room 102)

14:00-15:30

BSM-1TeV Scale

(ISEC Room 136)

Electroweak physics:

EWK+QCD+Future

(ISEC Room 142)

Flavor Physics

(Dana Room 114)

Heavy Ion Physycs: HI + QCD

(ISEC Room 138)

Higgs Physics: Higgs + Top

(ISEC Room 102)

Performance

(ISEC Room 140)

Today's Events

12:30-14:00 **Poster Session** at the **Interdisciplinary Science Center (ISEC)**. Please wear your badge during the event, lunch buffet options available.

If you have registered and still need to get your tickets for the game please download the MLB Ballpark app and use the e-mail address you used on the google registration form.

Groups will leave at 18:00 from the Dorms and the Dana research building. Please read the [Fenway Bag rules](#) before leaving.

“Let’s go Red Sox”

Did you know:

Fenway Park is the oldest Major League Baseball stadium. The stadium was built in 1912 then substantially rebuilt in 1934 and is still used today.

LHC P Boston 2024

- **Poster session update** – Posters can be hung in place from **10:30** on Tuesday morning in the ISEC Atrium.
- Closed-captioning can be accessed using the links at: <https://indico.cern.ch/event/1253590/page/34262-closed-captioning>
- Follow the conference on Twitter: <https://x.com/lhcphysics>

We hope everyone enjoyed the welcome reception on Monday evening. We would like to thank everyone for their patience regarding the bag drop... If you are curious as to why they are so concerned about security have a look at this [link](#)
