

Session Program

6-10 Nov 2023

ML4Jets2023

Theory & Understanding

DESY, Main Auditorium

Tuesday 7 November

09:00

Theory & Understanding

Session | **Location:** DESY, Seminarraum 4a/b | **Convener:** David Shih

09:00–09:15 **Learning a Representation of New Physics Models**

Speaker

Tore von Schwartz

09:15–09:30 **Anatomy of Jet classification using deep learning**

Speaker

Sung Hak Lim

09:30–09:45 **Hyperbolic Machine Learning for Jet Physics**

Speaker

Nathaniel Sherlock Woodward

09:45
