

Session Program

1-6 Oct 2023

TWEPP 2023 Topical Workshop on Electronics for Particle Physics

Optoelectronics and Electrical Data Links

Geremeas, Sardinia, Italy
Calaserena Village, Geremeas, Quartu S.Elena, Sardinia (Italy)

Friday 6 October

10:10

Optoelectronics and Electrical Data Links

Session | Location: Sirocco Room | Convener: Francois Vasey

10:10-10:30

Test Bench of a 100G Radiation Hardened Link for Future Particle Accelerators

Speaker

Francesco Martina

10:30-10:50

Compact Silicon Photonic Mach-Zehnder Modulators for High-Energy Physics

Speaker

Simone Cammarata

10:50
