

Session Program

1-6 Oct 2023

TWEPP 2023 Topical Workshop on Electronics for Particle Physics

Link Users Group

Geremeas, Sardinia, Italy
Calaserena Village, Geremeas, Quartu S.Elena, Sardinia (Italy)

Thursday 5 October

13:40

Link Users Group

Session | **Location:** Sirocco Room | **Convener:** Francois Vasey

13:40–13:50

Introduction

Speaker

Francois Vasey

13:50–14:10

IpGBT calibration

Speaker

Stefan Biereigel

14:10–14:30

VTRx+ production ramp up challenges and status

Speaker

Csaba Soos

14:30–14:50

VL+ optical fibre plant preproduction status and production plans

Speaker

Dr Stefano Meroli

14:50–15:10

The Design and Packaging Challenges of a High Density 25G Optical Engine

Speaker

Kevin Burt

15:20
